## PAYMENT & ORDER INFORMATION

### PAYMENT

Full payment is required before production begins. After you submit your order form, you will typically receive a text within 24 hours with payment and order details.

### PRODUCTION TIME

Please allow approximately 1–2 weeks for production, depending on the quantity and customization requested. Handmade plaster pieces require drying time before kits can be packed. Larger or personalized orders may require additional time.

### PICKUP & DELIVERY

Pickup and delivery options are available. Pickup arrangements and any applicable delivery fees will be confirmed when your order is reviewed.

### PLANNING FOR AN EVENT

For birthdays, school activities, and other special occasions, please place your order in advance and provide your needed-by date. Your completion date will be confirmed before production begins.

*Please note: Orders are handmade, and timing is an estimate until your order details are confirmed.*
